Celebrating the amazing Dr. Florence Ross... 90 years young and still kickin' it up a notch!

Welcome to our joyful celebration of our dear friend, Dr. Florence Ross.

Where does one begin to describe Florence's essence? Do we discuss her many achievements over the past decades, the people she mentored, the loves of her life and their journeys, or maybe just the energy she

generates wherever she goes? Whatever criteria we choose, everyone who

Healing Prayers

The following people may need help remembering they are whole and healthy. Please, whenever you are with them and whenever you think about them... see them as whole and perfect.

knows this incredible woman agrees she is a phenomena personified.

In 1936, at 15, she graduated from high school and was voted "Girl Most Likely to Succeed." Little did they know that our Florence surpassed that prediction to become an international figure promoting causes that make our world a better place. To this day, this is her passion in life.

Florence created public awareness in the United States by initiating protests against German atrocities. She socialized with Helena Rubinstein, Salvador Dali, Yitzchak Rabin, Bill Clinton, Eleanor Roosevelt and others who worked for positive world changes. At a U.N. peacekeeping mission, she denounced the superpowers as acting like "little boys playing a game of one-upmanship" and told them they should all be fired. The Soviets immediately named her "Grandmother to the World." They loved her so much, she was invited back to the United Nations a few years ago.

Unstoppable, Florence made a giant footstep on our wonderful planet.

We love and appreciate who she is... outrageous, loving, spirited, and committed to making a difference in the world.

Florence, don't ever become "well-behaved"! Happy 90th Birthday.

This open and ongoing inquiry into the nature of being male emphasizes the joys, privileges, and constraints of being a Jewish male in today's world. Designed to facilitate the unfolding of our uniqueness as individual males as well as our inseparability from and bond with other men; here is an opportunity to be a "man among men."

You are encouraged to take your mask off and learn how to be intimate with other men, build empowering relationships and support other men as only men can do for each other.

We continue and expand our exploration of the myth, mystery and reality of being a Jewish male, which we began in Session 1. Each week, other spiritual topics are introduced as well.

All TAO men are invited to this unique strictly-male opportunity. Please call Dr. Richard Hey if you have any questions 954-806-6601.

Once a new eight-week session has begun, the group is closed to new members until the next session

Myrna's Musings...

"I am filled with joy and fulfillment after last Saturday's yoga/meditation/chanting Shabbos Hour Retreat at the Rabbi's home. It set the tone for my entire week. I feel so lucky to be part of this incredible community.

"I used to think Friday night TAO services were the most precious place to touch God. The love and energy swirled and then rested and then gathered momentum and then quieted again and my soul connected.

"Then I found Saturday mornings at our private sanctuary in Davie. The music and the intimacy and the soulfulness touched me deeply, and I knew this was the most precious place for me to touch God in the presence of my beloved community.

"Then I returned to our sanctuary for a gentle yoga/meditation/chanting morning, and I truly knew that this was my most precious place and time to open my heart to my God. My eyes filled with tears of joy and my soul filled with the love and fulfillment that sacred silence in the presence of loved ones can bring.

"I find the connection in many places, the mountains in the early morning, walking with a loved one on the beach, the silence of the in-between places of my life. How grateful I am to be able to share this incredibly loving God space. And I am so grateful that I know it. Really know it."

And most importantly, you support and are a part of a joyous, loving community where you expand your heart within a Jewish framework. *Nothing beats that!*

Your membership empowers TAO and Jewish Renewal. Your participation is crucial to the continuation and growth of a home for us. Just as in an election where each vote counts, your personal contribution tells us that you care and are willing to be counted as a supporter of our Jewish Renewal Center. Your membership allows the continued growth of our community.

Please consider donating the higher level of membership, for there are some who cannot afford even the basic level of giving. We turn no one away, and your donations help us support all who need us. Anyone who wants to pray with us is welcome.

What you derive from membership is priceless and often cannot be put into words, but without the price, we can't offer the service.

Reminders

Do you remember the sweet reminder calls

Rabbi Marc used to send on Thursdays prior to Services? We'd like to bring them back again. Will you sponsor the calls for the next 12 months? If so, we're seeking you. What a mitzva it will be to restart this lovely practice. Please call the office with your \$2,500 donation, or click here to [donate online](#) now. Please indicate "Reminder Calls" in the message box if donating online. Thanks... LOTS! Your sponsorship will bring much joy to our community.

Do you read Hebrew?

If so, join our team of people to help with the Virtual

Services. Contact Rabbi Marc or Anne.

We'd like to help celebrate your birthday

Click here to [email](#) your birth date (we don't need the year).

We're out of room on our Yahrzeit Plaque

Please sponsor a new one. Call Renee in the office for details: 954-888-1408. Thanks for helping us and everyone else who participates in this eternal gift.
